Independent Auditors' Report

To the Board of Directors of
The Periwinkle Foundation:

We have audited the accompanying financial statements of The Periwinkle Foundation, which comprise the statements of financial position as of December 31, 2019 and 2018 and the related statements of activities, of functional expenses, and of cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements – Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility – Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform our audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion – In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Periwinkle Foundation as of December 31, 2019 and 2018 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The Periwinkle Foundation

Notes to Financial Statements for the years ended December 31, 2019 and 2018

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization – The Periwinkle Foundation (Periwinkle), a Texas non-profit corporation founded in 1983, is dedicated to developing and providing programs that enrich the lives of children, young adults and families who are challenged by cancer and other life threatening illnesses and are cared for at Texas Children’s Hospital. Periwinkle Camps, Arts and Survivor programs make a positive impact in the lives of approximately 14,000 children, teens and families each year.

Periwinkle Camps

Camp Periwinkle – Founded in 1983, a week-long summer camp for children ages 7 to 15 treated at Texas Children’s Cancer and Hematology Centers and their siblings. It is a safe, emotionally healing environment that gives patients and their siblings the opportunity to grow in independence and self-esteem and leave camp a stronger survivor.

Camp YOLO (You Only Live Once) – Founded in 1998, addresses the challenges faced by adolescents ages 13 to 18, treated at Texas Children’s Hospital’s Cancer, Hematology, Cardiology, Rheumatology, Retrovirology, Allergy and Immunology Clinics. For two weekends each year, these young people have the chance to rejuvenate with others who understand their struggles, anxieties and fears.

Family Camp – Founded in 2009, for families with children challenged by cancer. This camp provides opportunities for families to get away from the hospital routine, create cherished memories and bond with other families who understand the stresses associated with a child’s diagnosis.

Periwinkle Day Camp – Founded in 2016, a week-long summer day camp for approximately 65 children with cancer ages 7 to 12 and their siblings. The camp provides children the magic of Camp Periwinkle in Houston where they participate in activities including sports, arts and crafts, outdoors and team building.

Camp Periwinkle Days at Texas Children’s Hospital transforms the waiting room of the Texas Children’s Cancer and Hematology Centers into a summer camp. The two-day camp is packed with games, prizes and activities to positively change and enrich the lives of children challenged by cancer under care at the hospital.

Periwinkle Arts In Medicine Program

The mission of the Periwinkle Arts In Medicine Program (PAIM) at Texas Children’s Cancer and Hematology Centers is to provide enjoyable and educational art activities that give children, young adults, families and caregivers affected by pediatric cancer and blood disorders the opportunity for self-expression, empowerment and healing through the arts.

Artistic activities by and for children create opportunities for self-expression, empowerment and development of coping skills. Making music, singing songs, performing dance, producing plays, writing and telling stories, and decorating spaces with visual art enhances the healing environment and treatment experience. PAIM provides art exposure in a variety of settings including outpatient and inpatient care areas.

Periwinkle Long-Term Survivor Program

The Long-Term Survivor Program began in 2008 and is designed to reach older teens and young adult cancer survivors. This program has grown to include retreats, social gatherings and educational programs geared at providing opportunities for survivors to share experiences, gain knowledge and life skills, and give back to the cancer community.

Basis of accounting – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Federal income tax status – Periwinkle is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code and is classified as a public charity under §509(a)(1) and §170(b)(1)(A)(vi).

Cash concentration – Bank deposits exceed the federally insured limit per depositor per institution.

Contributions receivable that are expected to be collected within one year are recorded at net realizable value. Contributions receivable that are expected to be collected in future years are discounted to estimate the present value of future cash flows. An allowance for uncollectible contributions receivable is provided when it is believed that contributions may not be collected in full.

It is Periwinkle's policy to write off receivables against the allowance when management determines the receivable will not be collected. The amount of bad debt expense or loss on valuation of contributions receivable recognized each period and the resulting adequacy of the allowance at the end of each period are determined using a combination of historical loss experience and individual account-by-account analysis of receivable balances. It is possible that management's estimate regarding the collectability of the balances will change in the near term resulting in a change in the carrying value of contributions receivable.

Investments are reported at fair value. Net investment return consists of interest and dividends, realized and unrealized gains and losses, net of external and direct internal investment expenses.

Net asset classification – Net assets, revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions, as follows:

- *Net assets without donor restrictions* are not subject to donor-imposed restrictions even though their use may be limited in other respects such as by contract or board designation.
- *Net assets with donor restrictions* are subject to donor-imposed restrictions. Restrictions may be temporary in nature, such as those that will be met by the passage of time or used for a purpose specified by the donor, or may be perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Net assets are released from restrictions when the stipulated time has elapsed, or purpose has been fulfilled, or both.

Contributions are recognized as revenue at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as with donor restrictions. Conditional contributions are subject to one or more barriers that must be overcome before Periwinkle is entitled to receive or retain funding. Conditional contributions are recognized as revenue at fair value when the conditions have been met. Funding received before conditions are met is reported as refundable advances.

Non-cash contributions – Donated assets, materials, and use of facilities are recognized at fair value as unrestricted contributions when an unconditional commitment is received from the donor. The related expense is recognized as the item is used. Contributions of services are recognized when services received

(a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Special events revenue is the total amount paid by sponsors and attendees of an event and includes elements of both contributions and exchange transactions and is recognized when an event occurs. Cost of direct donor benefits provided represents the costs of goods and services provided in exchange for the amount paid by event attendees. Amounts received in advance for special events are reported as deferred revenue.

Functional allocation of expenses – Expenses are reported by their functional classification. Program services are the direct conduct or supervision of activities that fulfill the purposes for which the organization exists. Fundraising activities include the solicitation of contributions of money, securities, materials, facilities, other assets, and time. Management and general activities are not directly identifiable with specific program or fundraising activities. Expenses that are attributable to more than one activity are allocated among the activities benefitted. Salaries and related costs, supplies, occupancy, and equipment repairs and maintenance are allocated on the basis of a time and effort study.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the amounts of reported revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

Recent financial accounting pronouncement – In February 2016, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*. Under this ASU, a lessee should recognize in the statement of financial position a lease liability and a lease asset representing its right to use the underlying asset for the term of the lease for both finance and operating leases. An entity may make an accounting policy election not to recognize lease assets and lease liabilities for leases with a term of 12 months or less. Recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee have not changed significantly. Qualitative and quantitative disclosures are required to enable users of financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. The ASU is effective for fiscal periods beginning after December 15, 2021. Periwinkle plans to adopt this ASU for its fiscal year ending December 31, 2022. Management has not yet determined the impact adoption of this ASU will have on the financial statements.

NOTE 2 – ADOPTION OF ACCOUNTING STANDARDS

Periwinkle adopted ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The amendments in this ASU clarify and improve current guidance about whether a transfer of assets (or the reduction, settlement, or cancellation of liabilities) is a contribution or an exchange transaction and provide additional guidance on determining whether a contribution is conditional or unconditional. Periwinkle adopted the new standard effective January 1, 2019 using the full retrospective method. Adoption of this ASU had no impact on net assets.

NOTE 3 – LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of December 31 comprise the following:

	<u>2019</u>	<u>2018</u>
Financial assets:		
Cash	\$ 769,005	\$ 710,966
Contributions receivable	32,264	94,482
Investments	<u>1,034,501</u>	<u>926,228</u>
Total financial assets	1,835,770	1,731,676
Less financial assets not available for general expenditure:		
Board-designated investments	1,034,501	926,228
Contributions for Camp Periwinkle in future years	<u>70,000</u>	<u>80,000</u>
Total financial assets available for general expenditure	<u>\$ 731,269</u>	<u>\$ 725,448</u>

For purposes of analyzing resources available to meet general expenditures over a 12-month period, Periwinkle considers all expenditures related to its ongoing activities of its mission and its support to be general expenditures. Periwinkle has a board-designated reserve of \$1,034,501 which could be drawn upon in the event of unanticipated financial circumstances.

NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require that certain assets and liabilities be reported at fair value and establish a hierarchy that prioritizes inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The three levels of the fair value hierarchy are as follows:

- *Level 1* – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.
- *Level 2* – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- *Level 3* – Inputs are not observable and are based on the reporting entity’s assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at December 31, 2019 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Mutual funds:				
Vanguard Wellesley Income Fund	\$ 531,421			\$ 531,421
PIMCO All Asset All Authority Fund	367,315			367,315
Fixed-income mutual funds	96,733			96,733
Money market mutual funds	<u>39,032</u>			<u>39,032</u>
Total assets measured at fair value	<u>\$ 1,034,501</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 1,034,501</u>

Assets measured at fair value at December 31, 2018 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Mutual funds:				
Vanguard Wellesley Income Fund	\$ 456,580			\$ 456,580
PIMCO All Asset All Authority Fund	341,664			341,664
Fixed-income mutual funds	94,117			94,117
Money market mutual funds	<u>33,867</u>			<u>33,867</u>
Total assets measured at fair value	<u>\$ 926,228</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 926,228</u>

Mutual funds are valued at the reported net asset value of shares held. This valuation method may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Periwinkle believes its valuation method is appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

Investments are exposed to various risks such as interest rate, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position and statement of activities.

NOTE 5 – NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions are comprised of the following:

	<u>2019</u>	<u>2018</u>
Undesignated	\$ 653,879	\$ 599,029
Board-designated reserve	<u>1,034,501</u>	<u>926,228</u>
Total net assets without donor restrictions	<u>\$ 1,688,380</u>	<u>\$ 1,525,257</u>

NOTE 6 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted as follows:

	<u>2019</u>	<u>2018</u>
Subject to expenditure for specified purpose:		
Camp Periwinkle	\$ 80,000	\$ 91,944
Arts & Creative writing		25,000
Day Camps		<u>15,000</u>
Total subject to expenditure for specified purpose	80,000	131,944
Subject to passage of time:		
Contributions receivable that are not restricted by donors, but which are unavailable for expenditures until due	<u>18,097</u>	<u>51,539</u>
Total net assets with donor restrictions	<u>\$ 98,097</u>	<u>\$ 183,483</u>

NOTE 7 – NON-CASH CONTRIBUTIONS

The fair value of non-cash items recognized as contributions and the related expenses is as follows:

	<u>2019</u>	<u>2018</u>
Program expenses:		
Camp faculty	\$ 134,686	\$ 131,327
Total non-cash contributions	<u>\$ 134,686</u>	<u>\$ 131,327</u>

NOTE 8 – OPERATING LEASE

Periwinkle leases office space under a non-cancelable lease. Future minimum lease commitments are as follows:

2020	\$ 72,104
2021	8,338
2022	2,517
2023	2,517
2024	<u>1,466</u>
Total	<u>\$ 86,942</u>

Lease expense totaled \$67,210 in 2019 and \$65,000 in 2018.

NOTE 9 – PERIWINKLE ARTS IN MEDICINE PROGRAM PARTNERSHIP WITH TEXAS CHILDREN’S HOSPITAL

As part of Periwinkle’s long-term commitment of providing enjoyable and educational art activities to children, families and their caregivers affected by pediatric cancer and blood disorders, Periwinkle entered into a five-year agreement with Texas Children’s Hospital. This exclusive partnership expands the Periwinkle Arts In Medicine Program at Texas Children’s Hospital Cancer and Hematology Centers to other Texas Children’s Hospital facilities through the addition of financial, staff and volunteer resources. The agreement requires annual payments of \$100,000 for five years to Texas Children’s Hospital for an AIM Coordinator, performance fees, and supplies for the program. The first payment was made in September 2015, with subsequent payments in September of each year through September 2019. The agreement could be terminated with 60-days’ notice by either Texas Children’s Hospital or Periwinkle. The fiscal years 2019 and 2018 payments of \$100,000 each were a program expense and were reported as professional fees in the statement of functional expenses. The final payment for this agreement was made in September 2019. Periwinkle plans to continue this collaboration and is in negotiations for another five-year agreement to begin in September 2020.

NOTE 10 – SUBSEQUENT EVENTS

In March 2020, the Director-General of the World Health Organization declared a pandemic related to the global outbreak of the new coronavirus COVID-19 and on March 13, 2020, a national emergency was declared in the United States. Stay-at-home orders have caused mandated and voluntary cancellations of Periwinkle’s spring and summer camps. Periwinkle has postponed its biennial gala to Fall 2020.

Periwinkle was approved for a payroll protection program loan of \$105,700 to help cover payroll and some operational expenses. This loan is part of the financial relief legislation passed by the Federal government and will be forgiven in whole or in part if used for qualifying expenditures.

The extent of the impact of COVID-19 on Periwinkle's operational and financial performance will depend on developments such as the duration and spread of the outbreak, the impact on those served, donors, employees, and vendors, all of which are uncertain and cannot be predicted. Therefore, while Periwinkle expects this matter will negatively impact its operating results and financial position, the financial impact cannot be reasonably estimated at this time.

Management has evaluated subsequent events through July 28, 2020, which is the date that the financial statements were available for issuance. No other events were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.
