- To be eligible for Camp YOLO, ***your teen must have been seen by their service line provider at Texas Children's Hospital within the recommended follow up time from his/her doctor.***
- Teens must be ages 13 to 18 to attend camp.
- Siblings, within the same age range, may attend camp **WITH** the patient. Cousins or friends may **NOT** substitute for a brother or sister. Depending on the number of applications we receive, families **may be asked to select one sibling** to attend camp with the patient.
- Camp is free of charge to all campers.
- Campers are required to submit a copy of their most recent immunization record, including documentation of measles (MMR) vaccination. While the COVID-19 vaccine is NOT REQUIRED, it is strongly encouraged. Eligibility for campers who are not up to date on other vaccines mandated by the Department of State Health Services will be assessed on an individual basis, considering their medical history.

### **Application – Two ways to apply**

1. **Online Application** – Visit <https://periwinkle.campmanagement.com/campers>. See the online application instructions page to apply online.
2. **Paper Application** - Please fill out the attached application. Please notify us if your address or phone number changes. Without up-to-date information, your teen may miss the opportunity to attend Camp YOLO.

***The completion of an application does not guarantee acceptance to Camp YOLO. After the application deadline, you will receive a letter or email letting you know whether your teen has been accepted to camp or has been placed on the waitlist.*** If your teen is accepted, the necessary forms for camp, with instructions, will be included.

### **Waitlist**

## General Information

- We are NO LONGER requiring proof of the COVID-19 vaccination. All campers, volunteers, and staff are required to take a rapid COVID test upon arrival at camp, provided by The Periwinkle Foundation.
- The Periwinkle Foundation raises the necessary funding and runs Camp YOLO, which is provided free of charge for patients, ages 13-18, receiving care from the Cancer and Hematology Centers, Cardiology Center (Heart Center), Rheumatology Clinic, Renal Center (Kidney Center), and Retrovirology Clinic at Texas Children's Hospital. Each patient may take one sibling in the same age range.
- Approximately 100 teens will attend Camp YOLO. Campers are placed in cabins by age group and birth gender. There are 8 to 10 teens in each cabin.
- Medical staff are on duty 24 hours a day. Other medical staff attending camp are available to drive patients back to Houston should a medical need arise. There is a hospital near Brenham, Texas, as well.
- The camp facility, Camp For All, is located 1.5 hours from Houston, outside of Burton, Texas. Your camper can ride the bus to and from Houston, or you can drive them.
- Camp activities include ropes course, archery, canoeing, fishing, riding horses, petting farm, arts and crafts, swimming, cooking, parties and more.
- Each cabin has 3 to 4 counselors that are age 21 and older. The Head Counselor is an experienced Camp YOLO counselor. YOLO employs a rigorous screening process for all new counselors that includes a letter of reference, criminal background checks and personal interviews.
- In the cabin, campers share one large bathroom with multiple showers and toilets. Each camper gets a cubby for their toiletries.
- Medical staff from Texas Children's Hospital review all camper applications and decide who will attend camp based on current treatment regimens, medical conditions, as well as previous camp attendance.
